

Using rxjs with React Native

Pavlos Vinieratos

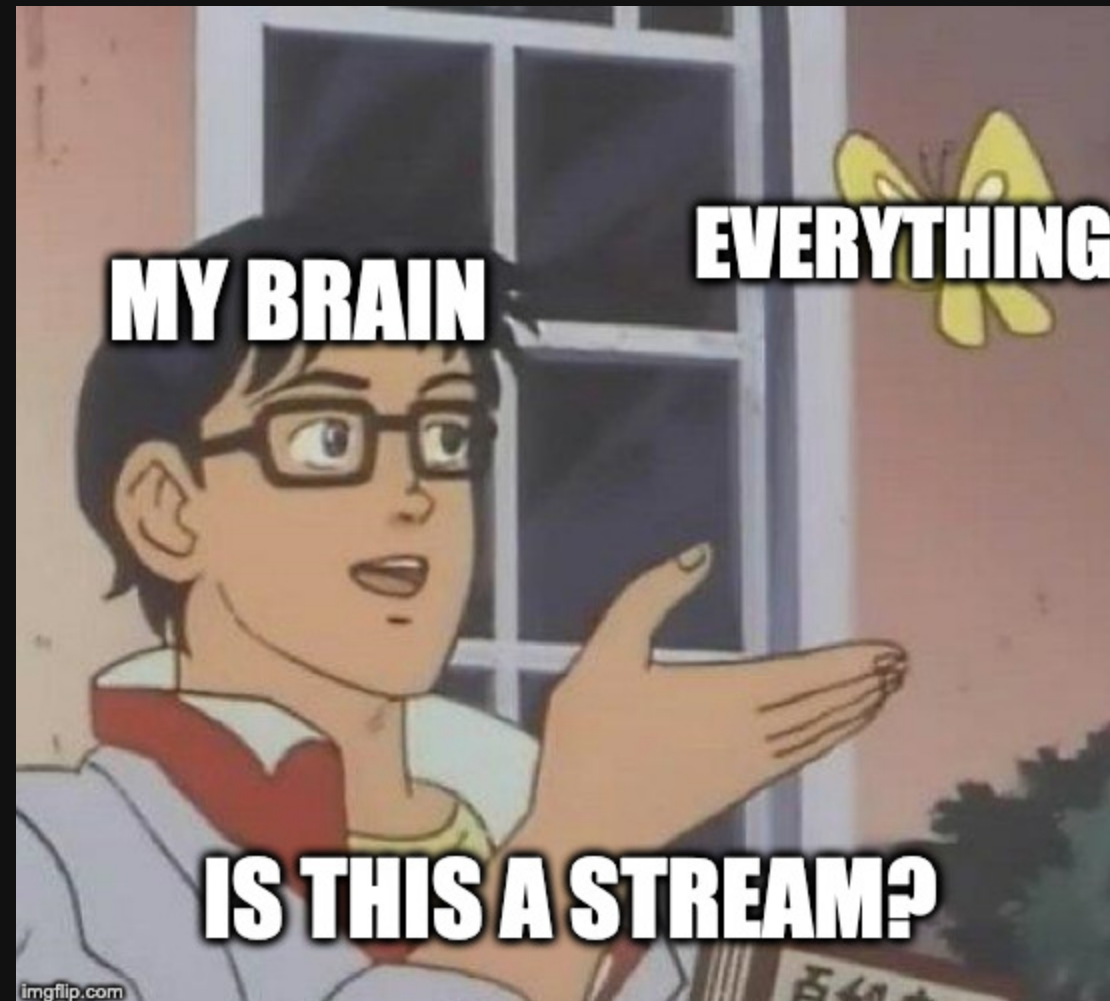

React Rotterdam, Autumn 2019

I love Rx!

If I could use `only Rx` from now on, I'd be a `happy dev.`

What is Rx?

Everything is a stream

- map
- filter
- scan
- delay
- debounceTime
- race
- merge
- combineLatest

What will we make

- Counter
- Stepped Counter
- Sequence Detector

STAAAAAAAAAAAAHP!!
